

August 2010

Year 11 and Year 13 students at South Wolds have achieved record breaking exam results this year.

In the sixth form 26% of all grades were A* or A; 58% were grades A*-B. The average results for the students who took the International Baccalaureate qualification were worth more than the equivalent of 3 A grades at A-Level.

84% of Year 11 students achieved at least 5A*-C grades at GCSE; 65% achieved at least 5A*-C grades including English and Mathematics; 26% of all students achieved at least 3 A*/A grades. We are looking forward to many of these students staying on in our sixth form in September.

Well done to everybody on all their successes.
