South Wolds Community School Sixth Form. A-Level Results 2011.

Students at South Wolds Community School Sixth Form have achieved another set of excellent results this year.

At A-Level: 16% of all grades were A* or A grades; 36% were A*, A or B grades; and 65% were A*, A, B or C grades. The pass rate was 98%.

For those students who took the International Baccalaureate qualification the average grade achieved was the equivalent to grades AAB at A-Level. Two students achieved the equivalent of 4A* grades and two achieved the equivalent of 4A grades.

At AS-Level: 36% of all grades were A or B grades; and 57% were A, B or C grades. Please be aware that there is no A* grade at AS Level.

Congratulations to all of our Sixth Form students for their achievements this year. Our Sixth Form team will be working with parents and students in the coming days in order to ensure University places are finalised or to support any applications through clearing if they are needed.

We have had an unprecedented number of applications for September and are looking forward to welcoming the next set of students into our ever improving Sixth Form.
