GCSE Results 2011

At South Wolds we aim to achieve "Excellence in all things" and our Year 11 2011 results are a sign that we are doing just that:

- 72% of our students achieved 5A*-C grades including English and Maths.
This is a 7% increase from last year and is the highest the school has ever achieved.
- 84% achieved 5A*-C grades and 96% achieved 5A*-G grades.
- 87% achieved an A*-C grade in Maths
- 80% achieved an A*-C grade in English
- 54% achieved an A*-C grade in at least one Modern Foreign Language. Last year the national average was 28%!
- 90% achieved an A*-G grade in at least one Modern Foreign Language.
- 31% achieved the English Baccalaureate
- **13 students all achieved at least 10 A*/A grades**

We are tremendously proud of all of our students' achievements this year. Unprecedented numbers have applied to stay on in the sixth form. Our sixth form team will be working with students in the next few weeks to confirm places and courses in preparation for September.
