

**The South Wolds  
Academy  
and Sixth Form**

12<sup>th</sup> October 2021

Dear Parents/Carers

We have seen a significant increase in the number of positive Covid-19 cases in students this week which requires us to put some additional safety measures in place.

Some of these measures will be actioned in school such as enhanced cleaning and the separation of year groups as necessary, however we would ask for your support in encouraging your child to wear a face covering whilst in indoor school areas for the remainder of this half term.

There are disposable face masks available at school for those who do not have them.

We would also ask that you continue to participate in the twice weekly home testing program throughout the half term to help identify asymptomatic cases. An additional box of home test kits will be sent home with your child later this week.

These measures are in place until the half term break starts at the end of this week and we expect to return to normal operations on the return to school on 1<sup>st</sup> November. If anything changes then I will write to you again.

Thank you for your continued support on the matter.

Yours sincerely

Halina Angus  
Head Teacher
