10<sup>th</sup> February 2022

Dear Parents and Carers,

It is with frustration that I must write to you to inform you that I will be asking all of Year 9 to stay at home on Friday 11th February and access their educational provision remotely. We have done everything possible to keep the school open at this time but with an outbreak of Covid-19 in school and significant staff absence, our risk assessment of the situation means that I can no longer guarantee safe ratios of staff to students tomorrow in classrooms. I would like to thank all of the staff team who have worked so hard to keep provision going; covering staff absence continues to be incredibly challenging at the moment.

Year 9 work for the full day is set on Google Classroom and will be ready to access from 8.30am on Friday morning.

Thank you for your understanding at this time and we look forward to welcoming everyone back on site on Monday 21st February for the new half term. Please continue to stay safe and well.

Yours sincerely
