Dear Parents/Carers,

Cyber Choices Leaflet

We have been made aware of an issue with a Cyber Choices leaflet, made by The National Crime Agency, that may have been passed to a very small number of our students, in particular Sixth Form students.

It has become apparent that one of the websites listed in the leaflet appears to have been hacked or compromised in such a way that it now automatically redirects to a different site displaying explicit content. Upon becoming aware of this, Cyber Choices were notified and have passed the information to The NCA with immediate effect.

If a leaflet has been received at home, please place it in the bin and if you have any concerns regarding this, please contact the school office.

Yours sincerely,

The South Wolds Academy & Sixth Form
