

**The South Wolds
Academy
and Sixth Form**

31st December 2020

Dear Parent/Carer,

Following the Prime Minister's announcement yesterday regarding the opening of secondary schools at the start of the new term, I write to confirm revised arrangements for South Wolds' opening.

On Monday 4th January 2021 the school will be running an INSET day and all pupils will remain at home.

We are aware that there are a few students whose parents/carers are classed as 'key workers' and whose parents/carers are unable to make other arrangements for childcare. These parents/carers have completed the online form. We will contact them on Monday, confirming whether their child has a place in school from Tuesday 5th January. This is where a child cannot remain at home safely.

All other students in Years 11 to 13 should return to school on Monday 11th January. All other students in Years 7 to 10 should return to school on Monday 18th January. Online learning will be in place for all students from Tuesday 5th January until they return to school and will be delivered through Google Classroom. If any of this changes then I will write to you immediately.

Further details of testing arrangements, including the collection of parent/carers consent, will follow next week.

Thank you for your continued support and best wishes for the new year.

Yours sincerely

Kind regards
Halina
