

7Y

Miss Giugno

Hello 7Y!

I hope that you are all doing well, and excited about joining South Wolds Academy and Sixth Form in September. My name is Miss Giugno, and I am going to be your form tutor. Welcome to 7Y.

I was once a student at South Wolds, so have been exactly where you are now. I loved my time at South Wolds, so much that I have now come back to teach at the school, so I really hope you enjoy your time here just as much as I did (and still do!)

If you are feeling a little bit nervous or worried that is okay, I know that change can sometimes be a little scary, but you have got nothing to worry about. I will be here every step of the way to help and support you, so if you have any problems or questions I am always around. Everyone at South Wolds is lovely and kind and you will get the chance to make lots of new friends.

I am a Design and Technology teacher and at some point, in the year, I will be teaching you some textiles and food technology. Outside of school I love being creative and making things, spending time with my friends and family as well as synchronised ice skating and dancing. At the beginning of term, we will have time to get to know each other and I am really excited to find out all about you.

I hope you have a fantastic summer break, and I can't wait to meet you all in September!
