3. Population distribution
4. Rural India
5. Natural India
6. Rice Farming
7. India's Growing Economy
8. India's Growing Population
9. Quaternary Industry
10. Tourism
11. Assessment

## Broad overview:

Our country study for Year 9 is the fast moving, diverse, and exciting country of India. We cover a wide range of geographies in this topic from where people live and why to the range of environments in this place. We consider the growing economy of India and the impacts of this on its citizens. Lastly we research what it would be like to visit there and the variety of activities to take part in.
