## Broad overview :

We will look at the human and physical geographies of the African continent through studying a wide variety of contrasts. From physical landscapes of desert to rainforests and the climates that make them; to the way people live their lives, we will explore a little of the past, present and future to give a sense of this diverse place.

## Assessment:

- Mid Unit assessment: Extended Writing
- End Unit Assessment: End of Unit Test

## Homework

- Fortnightly quizzes set on Satchel One. *You need to login on your account* rather than that of your grown up at home.
