

External Examination Results

Summer 2020 (revised 15/07/20)

We hope you are keeping well. Results days this year are likely to look, and feel, very different for both students and staff across the country. As always at South Wolds, student and staff well-being is at the heart of everything we do.

There is still a lot of uncertainty about what will be safe by August. Whilst we still would want to have on-site results day collections, practicalities are such that, we have decided to send electronic results to some students.

GCE and Extended Project Results – Thursday 13th August

Year 13 students will be able to collect their results, in person, from 8.30 am until 10.00 in the Refectory on Thursday 13th August. Year 12 Core Maths will also be available for collection. If you are unable to collect your results, but would like someone else to do so, on your behalf, please send an email, from your own email account, to exams@southwolds.notts.sch.uk. Please ensure you give the name of the person collecting and ask them to bring proof of identity with them. In the absence of either an email/note of permission or proof of identity, your results will not be given out. After 10.00 am results will be posted to home addresses.

GCSE Results – Thursday 20th August

Year 11 students will receive results, by their school email, from 8.00 am on Thursday 20th August. If you do not have access to your school email account, please email helpdesk@southwolds.notts.sch.uk giving full details of your issue. If these issues cannot be resolved or you would prefer to receive your results by post, please email exams@southwolds.notts.sch.uk. However, in line with exam board regulations, please be aware that results cannot be posted until Thursday 20th, so will not be received until on or after Friday 21st.

Please note results are not allowed to be given out over the telephone.

We appreciate that whilst most of our students can celebrate and share (virtual) hugs and tears of joy, obviously there are some students who are disappointed. We will have staff on hand on both results days to help our students. For year 13 we will have staff available for UCAS support. For year 11 we will have staff available, via email, to support students in case they want or need to change their plans for their next steps.

From Wednesday 12th August until the start of term in September, urgent exams queries should be sent to exams@southwolds.notts.sch.uk.

Included with results will be details on Appeals and the Autumn Exams Series.

Certificates

Certificates must be collected and signed for after 1st December. Certificates may be collected by a nominated individual, provided they have written authorisation to do so. Certificates will be retained for two years.
