

How we do things at The South Wolds Academy

Google Classroom

As well as having a classroom here in school, you will also have a virtual classroom for each subject. This is called Google classroom.

On Google classroom you will be able to find:

- Work for any lessons you have missed due to absence

On Google classroom you will be able to:

- Submit work to your teacher for marking
- Complete any work you have missed
- Review lessons you have already completed in class
- Ask your teacher a question

What do I need to do?

Watch the YouTube video giving instructions on how to join the Google Classroom.
