

**The South Wolds
Academy
and Sixth Form**

6th February 2024

Dear Parents/Carers,

As a school we have been doing our best to absorb recent food price increases as far as we reasonably can.

However, to maintain an appropriate catering provision for students, we need to make some changes to pricing. We have carefully considered how best to do this to allow us to continue offering students an affordable hot meal provision.

Currently we offer six 'meal deal' options per day. These cost £2.65 and include a hot main, a pudding and a bottle of water. Going forward we will be reducing the range of meal deals to three and we will be removing the bottle of water. This will allow us to maintain the price for a two course meal at £2.65.

The school has a number of fresh water machines which students can access at no cost to fill their own bottles and bottled water will still be available for purchase should students wish to do so.

In addition to the above changes the prices of individual items will increase slightly, a pricelist is attached. These change will take effect from Monday 19th February.

Yours sincerely

Mrs Andi Hooker
