Introduction

The 16-19 Bursary Fund is a scheme to help young people facing financial hardship and they have remained in full-time education.

The scheme is made up of two parts:

1. Those most vulnerable students (those in most need of financial support) may be eligible for a **Vulnerable Bursary of £1,200 a year.**
or
2. A **Discretionary Bursary** is available for those in need of finance to help meet specific costs to enable them to stay in education and complete their courses, e.g. transport, equipment, fieldwork costs, specialist clothing.

The Bursary Fund will be administered by the Academy and the Academy will decide the eligibility criteria that will apply along with the requirements to be made of students regarding attendance, academic performance and conduct.

This document sets out the details relating to the Bursary Fund scheme for the academic year 2020/21.

This policy will be subject to annual review by the Local Governing Body of the Academy.

Date of last review: Autumn 2020

Date of next review: Summer 2021

Eligibility

To be eligible to receive a bursary the student must be aged 16 and under 19 on 31 August in the academic year in which they start their programme of study. Where a student turns 19 during their programme of study, they can continue to be supported to the end of the academic year in which they turn 19, or to the end of the programme of study, whichever is sooner. Bursaries will only be paid to students who have reached the statutory school leaving age.

Students must be on a full-time programme of study.

The Vulnerable Bursary

The most vulnerable young people will be eligible for a bursary of £1,200 (pro-rata for courses lasting less than 30 weeks a year). This includes: students in care; care leavers; students receiving Income Support or Universal Credit in place of Income Support in their own right; and students receiving one of either Employment and Support Allowance or Universal Credit (apart from where this replaces Housing Benefit) along with Disability Living Allowance or Personal Independence Payments in their own right.

The Academy is responsible for identifying students who are eligible for this payment. In doing so the Academy will seek appropriate evidence from the student, for example:

- A letter setting out the benefit to which the student is entitled;
- Written confirmation of the student's current or previous looked after status from the Local Authority which looks after them or provides their leaving care services.

All students in the identified vulnerable groups will receive their bursary payments from the Academy.

The Discretionary Bursary

Students can apply for this grant to fund particular needs. Once approved, students will be entitled to assistance towards the costs of one or more of the following:

- Transport – in most cases this is a 50% contribution towards travel costs; (Note: In the event of budgetary constraints, travel contributions will only apply to home addresses of greater than 2 miles from the Academy).
- Books, equipment, materials, specialist clothing;
- Compulsory field trips – 100% of the cost;
- Optional educational visits linked to the course of study – 50% contribution. (Note: The Bursary does not cover the costs of non-curriculum related visits or extra-curricular activities;
- UCAS fee - £26;
- Travel expenses for up to three visits to higher educational establishments;
- Clothing allowance - £100;
- Lunch allowance payable to those with a family income between £16,190 and £25,000. (Note: Students with a family income below £16,190 are eligible to apply for Free School Meals on the NCC website.)

Students can apply for the Discretionary Bursary if they are eligible for Free School Meals. They are eligible if their parents are claiming one of these benefits:

How to Apply

The application is for the academic year. Students need to apply each year.

Students should complete the 16-19 Bursary Fund Application Form and forward this to Mrs Gillen in the Main Office by 1st November 2020 along with appropriate evidence to support their application.

For the Vulnerable Bursary this might include:

- a letter referring to the benefit to which they are entitled;
- written confirmation from the Local Authority of their current or previous looked-after status.

For the Discretionary Bursary this should include evidence of benefits, allowances, grants or household income.

Once students have had the Discretionary Bursary approved they can apply directly to the Head of Sixth Form to make specific requests for financial support. Application forms are available from Mrs Gillen in the Main Office.

Payment of the Vulnerable Bursary

Payments will be made by BACS into the student's bank account.

Payments will depend on maintaining 95% attendance, good behaviour and completion of work.

Payment of the Discretionary Bursary

Payments will be made on production of relevant receipts / invoices / official estimates.

Award and payment will depend on maintaining 95% attendance, good behaviour and completion of work.

Organisation and Appeals

The Sixth Form Team will be responsible for deciding who receives the awards based on the criteria outlined above.

The Bursary Fund is given to the Academy each year by the Education and Skills Funding Agency (ESFA). Once this money is allocated during the year the Academy will not be able to make any further discretionary grants until the new academic year.

Appeals relating to the Bursary should be made in the first instance to the Head of Sixth Form.

Further and Final Appeals should be made to the Head Teacher. There is no further right of appeal.
