

Year 7 2020 summer holidays projects, challenges and things to do

Projects

1. **Light Portraits** – We would like you to create a light portrait, inspired by the work of Rico Gatson. Please watch this video <https://youtu.be/zPJn6evpJPQ> and then have a go at creating your own portrait.
2. **Yarn bombing** – we would like you all to create a pom-pom for our yarn bombing project. Your pom-poms will be displayed on trees around school.
3. **Rainbow Rocks** - We would like you to paint a rock with a rainbow, or any other design of your choice. We would like you to bring it into school, when we return. They will be displayed by the refectory student entrance to school.
